We put space to work.

an Ali Group Company

The Spirit of Excellence

Drying.

Hang or Tray Dry with Super Erecta Shelving

Tray Drying
Pull-out rack section provide easy access and ability to exchange shelf levels. Wire shelves accommodate standard drying screens.

Shelving specifically designed for cannabis processing.

Metro Super Erecta Drying Rack

- Maximum airflow
- Shelves slide out for easy access
- Available in stainless steel
- Quickly converts from hanging to tray drying rack

Hang Drying
Open wire grid frame allows for maximum density & ultimate versatility during processing.

Trimming.

Wet or Dry Trim with PrepMate

PrepMate MultiStation

PrepMate is a multifunctional workstation designed to eliminate space constraints and increase overall productivity. Trim, slide, clean, store or transport in a smaller footprint. Accessorize PrepMate to maximize your cannabis process and workflow.

Multi-Level Functionality.

Streamline your process using multiple levels that work together to create a workspace that maximizes every inch. Slide stainless steel work surface to extract flowers, trim and slide back to reveal and store finished product.

ADJUSTABLE
5 Working Heights

Seated PrepMate
Reduce fatigue and provide a highly functional space to increase production time at task.

Clone your storage.

Movable aisle shelving takes advantage of every inch.

Metro High-Density Track Shelving
(Also available in All-Polymer Rust Proof Shelving)

- Floors easy-to-clean
- Full line of accessories available
- Overhead tracks allow unobstructed utility cart access.

Grow your capacity by up to 50%

Utility where it counts.
